HELPFUL FAQs AND TIPS

The Homer Fund is a 501(c)3 non-profit charity that offers emergency financial assistance to Home Depot associates who are unable to pay for specific expenses related to an unforeseen event

1. What is a qualifying, or triggering event?

A qualifying event, as defined by The Homer Fund, is a recent and unanticipated event that has caused a financial hardship. Qualifying events must have occurred within the last nine months. Specifically, the Direct Grant considers a short but impactful list of qualifying events listed below:

- Natural disaster or house fire
- Illness or injury
- Death
- Unforeseen sale/foreclosure of a home where the associate is the renter
- Involuntary unemployment due to a layoff, position elimination, company closure/downsize
- Major car repairs, such as transmission or engine repair/replacement (up to \$1,500)
- Major home repairs that present unsafe living conditions or make the home structurally unsafe (i.e., roof repair, major plumbing repairs)
- Crime – must be a victim of a specific type of crime, such as robbery, burglary, identity theft, etc. (crimes committed by the associate/qualifying family are excluded from consideration; legal fees are excluded from consideration)
- Loss of specific types of household income (i.e., government subsidy, court-ordered child support)

**Qualifying applications must have both a qualifying event AND a qualifying expense; one without the other typically results in a decline*

2. What is a qualifying expense?

The Direct Grant primarily addresses basic living expenses for which the applicant is unable to pay:

- Past due rent/mortgage
- Past due basic utilities (gas, water and electricity ONLY)
- Security deposits to establish a new residence
- Food and clothing
- Major car repairs for transmissions, engines, catalytic converters, radiators, timing belts, water pumps (up to \$1,500)
- Past due car loan/insurance
- Major home repairs

The Direct Grant may also address some essential expenses related to the death of a loved one:

- Essential funeral expenses
- Emergency travel expenses

3. Who is included as a qualifying family member?

- Associate's legal spouse (marriage certificate may be requested)
- Associate's legal dependent (recent tax return listing person as a dependent may be requested)
- Associate's parent, sibling or adult child (relevant to the death category ONLY; proof of relation will be requested)

4. How often can I apply for a Direct Grant?

Because a Direct Grant addresses an abnormal and unforeseen event causing a hardship, Direct Grants are a one-time grant. It is unlikely that more than one Direct Grant for the same situation will be issued. However, an associate could potentially receive multiple Direct Grants for different situations. For instance, an associate may receive a Direct Grant in January due to the loss of their home in a fire. This same associate might receive another Direct Grant in June of the same year because their spouse

became ill and the associate had to take time from work to care for the spouse. If the spouse's illness leads to their death in November of that same year, yet another Direct Grant could be appropriate.

5. What happens after I submit my application to The Homer Fund?

Once you have gathered your supporting documents and completed the Direct Grant Prep Pack, you will meet with your ASDS, HR partner or manager (also known as a sponsor) to apply. Your “sponsor” must complete the electronic application online and submit your Direct Grant Prep Pack to The Homer Fund. Once received by The Homer Fund, your request is assigned to an Analyst who will perform the preliminary review of your request. The Analyst will base their understanding of the situation based on the information provided, so please ensure all documentation is provided upon submission of the application.

The Analyst is your advocate throughout the review process. The assigned Analyst will ensure the application is complete (including all supporting documentation), and ensure they have a thorough understanding of the applicant’s situation to properly support your need. Each case is different, and decisions are based on the information and documentation submitted. Complete the packet in its entirety as missing information will cause a delay in processing. We encourage you to be specific in the explanation of your unique situation so the Analyst has clarity about your need. The Analyst will reach out to you or your sponsors with any questions, so ensure your contact information is accurate. The Analyst will prepare your request for a final review with a manager where a decision will be made on how The Homer Fund can help. The Homer Fund will ALWAYS provide the most assistance possible, based on the qualifying event and the necessary expenses. **Please allow 5-7 business days for this process to take place.** Requests submitted without the proper documentation are declined upon receipt, delaying The Homer Fund’s ability to make a determination on eligibility and respond quickly.

6. How can I ensure my application is processed quickly?

New requests may take 5-7 business days to process. The biggest cause for delay is lack of documentation. An application which is complete upon receipt may be processed much sooner. **Reference the Applicant’s Checklist on page one** of the Direct Grant Prep Pack to ensure you follow the proper steps and provide all documents upon submission of your request to minimize delays or a declination. Requests submitted without the proper documentation are declined upon receipt. **Please do not submit without the required information. You may save and submit when you have info to fax/attach to request.**

Applicants are reminded to take an active role in the application process. It is the only way to quickly move through the process and obtain a quick decision on the request.

- Provide ALL documentation with the initial submission of your grant request
- Ensure all information within this Direct Grant Prep Pack is clear and supports your need
- Provide a valid email address as this is the most common method of communication with The Homer Fund
- Be available to answer questions quickly to maintain progress in the review stage
- While partnership with your management team is a necessity at the beginning of the application stage, you may speak directly with a Homer Fund team member at any time by calling (770) 384-2611. You may also fax documents to (770) 384-2612 or email documents to Homer_Fund@homedepot.com
