

Animal Services

Sample projects (applicable to all listed):

- Cleaning facility
 - Volunteering at location with animals
 - Building storage or fencing
 - Grounds upkeep or landscaping
 - Build a [dog bed](#), using plans from the Project Playbook on Thd.co/TeamDepot
-
- [Pets for Vets](#) – Pets for Vets is tailored to the needs, wants, and hopes of each of our Veterans. We take the time to listen and find the animal that will bring the most support and comfort.
 - [Pets for Patriots](#) - To uplift veterans’ lives while saving the most vulnerable shelter animals. Giving veterans a renewed sense of purpose by inspiring them to adopt the most overlooked shelter animals – for life.
 - [US Vet Connect](#) (Equestrian Services) – Offers free outstanding outdoor adventures for Veterans. This is a great resource for a variety of activities that may be suitable for your project.
 - [Community Based Organizations](#) – Provide a variety of critical services to veterans. Many of these organizations are local nonprofits that can benefit from our volunteerism so they can further their mission in supporting veterans. The link provided, is a direct map from the National Coalition form Homeless Veterans.
 - [Google Search](#) – key word search: veteran animal services, equestrian therapy for veterans, veteran animal therapy, veteran service dogs, service dogs for veterans
